**DIVISION OF MUNICIPAL ACCOUNTING**

**STATE TAX COMMISSION**

**Concord, New Hampshire**

**SUMMARY OF FINDINGS AND RECOMMENDATIONS**

January 20, 1966

Board of Selectmen  
Bow, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Bow for the fiscal year ended December 31, 1965, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

**SCOPE OF AUDIT**

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Baker Free Library and Volunteer Fire Department.

**FINANCIAL STATEMENTS**

**Comparative Balance Sheets: December 31, 1964 —  
December 31, 1965: (Exhibit A-1)**

Comparative Balance Sheets as of December 31, 1964 and December 31, 1965, are presented in Exhibit A-1. As indicated therein, the financial condition of the Town changed from a Net Debt of \$551.03, to a Surplus of \$22,462.87 in 1965. Because there were no outstanding bonds or long term notes on December 31, 1965, the

Balance Sheet Surplus of \$22,462.87, represented the Current Surplus (excess of total assets over current liabilities) on that date.

**Analysis of Change in Financial Condition: (Exhibit A-2)**

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

**Decrease in Net Debt (Increase in Surplus)**

Net Budget Surplus	\$16,419.93	
Long Term Notes Paid	6,597.32	
Tax Collector's Excess Credit	4.00	
	<hr/>	\$23,021.25

**Increase in Net Debt (Decrease in Surplus)**

Decrease in Town Clerk's Cash on Hand	7.35
<b>Change in Financial Condition</b>	<b>\$23,013.90</b>

**Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibits A-3 and A-4)**

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1965, are presented in Exhibits A-3 and A-4. As indicated by the Budget summary (Exhibit A-4), a net unexpended balance of appropriations of \$8,621.24, plus a revenue surplus of \$7,798.69, resulted in a net budget surplus of \$16,419.93.

**Summary Statement of Receipts and Expenditures: (Exhibit B-1)**

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1965, made up

in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1965, is indicated in Exhibit B-2.

## **AUDIT PROCEDURE**

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

### **Surety Bonds:**

The surety bonds of the Town Treasurer and Town Clerk should be increased as follows:

Town Treasurer	— from \$20,000.00 to \$25,000.00
Town Clerk	— from \$ 4,000.00 to \$ 6,000.00

### **Conclusion:**

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Bow for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER

## BAKER FREE LIBRARY ANNUAL REPORT

1965

---

Once again the Baker Free Library reports to the town its activities. First of all, we want to remind all our regular readers and the newcomers in Bow of our hours.

### Winter Schedule:

Monday	— 2:00 to 8:00 P. M.
Wednesday	— 2:00 to 5:00 P. M.
Saturday	— 2:00 to 5:00 P. M.

### Summer Schedule:

Monday	— 2:00 to 8:00 P. M.
Wednesday	— 2:00 to 5:00 P. M.
Fri. Evening	— 7:00 to 10:00 P. M.

Mrs. Barbara Howe is librarian, Mrs. Helen Robinson, Mrs. Virginia Brown and Mrs. Marjory Fosher are assistants.

Our circulation for the year was 28,602. Our book deposit box received 2,764 in due books. Our patrons seem to like this service. As usual we had our big exhibit of both old and new books at the town meeting. We will be there this year and hope to meet all our readers and introduce ourselves to the newcomers in town. In June, Mrs. Enright brought in her class and Mrs. Virginia Brown read them a story. Afterwards, we introduced them to suitable books for their use. We attended the annual meeting of the N. H. Library Association held in Convention Hall in Concord.

The Baker Library is growing more every day. We are terribly crowded. There is no place for students to read and study quietly. Books and magazines are over-

flowing the shelves, tables and even chairs. We have approximately 11,000 books and subscribe to 25 magazines. The students of the high school are increasingly using these. Books are charged for two weeks but may be renewed. There are no fines.

The trustees and the staff are constantly trying for high library standards, and to be of assistance to all in town, both old and young. Please help us in our efforts.

“Books are for people.”

Respectfully submitted,

BARBARA K. HOWE,  
Librarian  
WILLIAM MAYNARD,  
Chairman

## REPORT OF THE BOW VOLUNTEER FIRE DEPARTMENT

1965

---

During 1965 your Fire Department made 67 runs as follows: 2 house fires, 1 barn, 6 car fires, 13 brush and grass, 8 chimney, 1 chemical fire, 3 silo fires, 1 sawdust pile, 12 out of town assists, 12 miscellaneous runs and 2 calls for lost children and 6 resuscitator runs. The number of calls this year indicates a growing increase in fires each year as new homes are added to the community.

We have had an extensive training program this year on forestry, ladders, and our smoke ejector. We are trying each year to increase our knowledge in fire fighting through state training programs and training programs of our own.

A deluge gun, a much welcome gift was donated by the Samuel Eastman Co., of Concord. Our many thanks to them for a most wonderful and expensive piece of equipment.

All persons of the town are urged to contact the Fire Department before doing any outside burning of any kind. When the ground is not covered with snow, a permit is required by law. If I can be of service in answering problems on burning for new families in town who are not familiar with these procedures, please do not hesitate to call me.

We also urge people not to follow the fire trucks going to fires. This is very dangerous and could cause accidents as well as causing a traffic problem if more equipment is trying to get to the scene of the fire. The fire trucks have all had new radios installed this year and

a new base station radio was donated by Evan's Radio, Inc.

A new Mutual Aid Compact has been formed in the Capital Area. This is only a means of binding towns closer together for fire fighting purposes. We are a member of this Compact.

The Fire Department has voted to sponsor a child each year to the Spruce Pond Conservation Camp at Bear Brook State Park. This consists of one week at Bear Brook camp, paid in full by the Department. If you have a son or daughter interested in conservation, contact the Fire Chief. Only one child a year will be sent and he or she must be fourteen years of age or older.

Remember, let's keep our fires down in 1966 and try to prevent them by keeping cellars and attics clean and not burning without a permit. Don't burn anything without first calling your Fire Department for a permit.

Respectfully submitted,

JAMES R. GOODWIN,  
Bow Fire Chief

## **REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF**

---

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and

woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each of us to be ever mindful that a spark or flame is a potential fire.

**We Must All be Careful:**

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish, preferably at the town dump. If you must burn rubbish or brush;
  - a. Always get a permit to burn from the warden.
  - b. Start your fire late in the day after 5:00 p. m.
  - c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

## REPORT OF BOW HISTORY COMMITTEE

Year Ending December 31, 1965

---

The climax of the first year of work by the Bow History Committee was the public meeting held on October 22. Townspeople were invited to bring articles of historical interest. About 125 people attended and exhibited nearly 100 items. Mr. Solon Colby presented a splendid discourse on Indians and Indian relics, and displayed some of his fine collection of artifacts. Mr. James Langley exhibited and commented upon a collection of his excellent paintings of Bow subjects, emphasizing the importance of recording current history as well as researching the past.

The Committee, appointed by the Selectmen late in 1964, includes Mrs. Austin McKay, Mr. Harold Fosher, Mr. George Blanchard, Mrs. Ralph McNamara and Mrs. Walter Brown. After a preliminary meeting in February, 1965, regular monthly meetings began in April, with Mrs. McKay as Chairman and Mrs. Brown as Secretary. Interested persons attended most meetings, including Richard Hanson and Paul Lindquist, Selectmen; Mrs. Virginia Abbott, Town Clerk; Mrs. Muriel Howard and Morris Foote, School Board; and Mrs. Jean Bailey, Monitor Correspondent.

The Committee has prepared a general outline of the proposed content of a History of Bow, and a work sheet of instructions for doing the research. The Chairman has available a list of sources of information and historical data. People already working on selected subjects are:

Mr. Solon Colby — Indian History of Bow  
Mrs. Muriel Howard — Education  
Mr. Richard Hanson — Mills

Mr. George Blanchard — Old Houses  
Mr. Paul Nadeau — Photographs  
Mrs. Austin McKay — Population  
Mr. and Mrs. Roy Peaslee — Interviewing  
Mr. Walter Brown — Settlement to 1800  
Mr. Chester Doe — Bow Community Baptist Church  
Mrs. Walter Brown — Bow Bog Meeting House  
Mrs. Halstead Colby — Review of Newspapers

Each fraternal and service organization in Bow has been asked to prepare a history of its group. A report from The Women's Society of Christian Service of the Methodist Church has been completed.

The Committee has requested an appropriation for the coming year, to cover such items as storage facilities for records and data, stationery and postage, reproduction of records and data, travel expense (for volunteers to out-of-town locations of records), expenses of speakers and technical assistance.

It is felt that most of the searching of records and other sources can be done by local volunteers over the next few years and that the results can be reproduced in pamphlet form, but that final compilation and editing should be done with professional assistance. Many more volunteers are needed. If you can help in any way, please contact any committee member or Town Official.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

To the School Board and Citizens of Bow:

I herewith submit my fourth annual report relative to the schools of Bow.

The September enrollment of the Bow Schools was 315 with 175 pupils in the Bow Mills School and 140 in the Bow Memorial School.

John T. Lyford is serving his second year as teacher-principal of the Bow Memorial School with full responsibility for both schools. There is a need for a full-time supervising principal as the school system has grown to 315 pupils and 16 teachers. The supervising principal will be responsible for supervising the teachers and pupils to assure that an effective educational unit is maintained with good pupil and teacher morale. The supervising principal acts to coordinate the work of the staff and provides educational leadership and inspiration to teachers and pupils. The role of the supervising principal is most important in that he deals directly with the day by day effort of the pupils and teachers.

The school board and administration is currently providing an in-service training program for the entire teaching staff participating in curriculum development in conjunction with the Education Department of the University of New Hampshire. The initial Social Studies Curriculum Study will be followed by Language Arts. The principal, Mr. Lyford, is engaged in a science curriculum study. Howard Wagner, a Bow resident and Director of Science Education of the State Department of Education is working jointly with Mr. Lyford in this study.

The Bow School District is an active member of the New England School Development Council with its main office at Harvard University. Through participation the

schools of Bow will enjoy the benefits of the consultation services, research and other activities of the organization.

The aim of the Bow Schools must be the full utilization of all the facilities and resources to provide the finest educational program that we can make available.

The work of curriculum development will require the dedicated services of teachers, administrators, the school board and the community to properly develop a curriculum suited to the needs of boys and girls who will live in the twenty-first century.

The Bow School Board is studying the projected school building needs of the town of Bow for the immediate future as well as long range planning in the light of the evidence available relative to projected school enrollments.

On behalf of the office of the Superintendent of Schools I wish to extend my gratitude for the outstanding contribution to the educational effort by the members of the Bow School Board, Mrs. Muriel Howard, Chairman, Morris Foote and Roy Peaslee, the Principal John Lyford, the teachers, the pupils and the citizens of Bow. I also wish to acknowledge the loyal support of the Supervisory Union office personnel, Spiro Anastos, Assistant Superintendent of Schools and Mrs. Ruth Henk and Mrs. Harold Smith of the office staff.

There is no resource in America that is as valuable as our Youth. The future will continue to make ever increasing demands in terms of educational preparation. Each boy and girl must be prepared to the limit of his potential. In this era of idealogical as well as other conflict, the citizens of Bow are making a contribution to the perpetuation and refinement of our American way of life by the excellent education provided to the children of Bow.

Respectfully submitted,

ERNEST PELTONEN,  
Superintendent of Schools

	June 30, 1964	June 30, 1965
Total Assets	\$63,440.33	\$17,526.02
Current Liabilities	58,437.92	14,551.08
	<hr/>	<hr/>
Current Surplus	\$5,002.41	\$2,974.94

It was suggested that the Treasurer reconcile her cash account with the monthly bank statement.

**Overdraft of Appropriations and Application of Municipal Budget Law:**

It is noted that there was a net overdraft of appropriations amounting to \$11,025.11. In other words — total expenditures exceeded total appropriations by this amount, as indicated herewith:

Overdrafts of Appropriations	\$20,941.93
Unexpended balances of Appropriations	9,916.82
	<hr/>
Net Overdraft of Appropriations	\$11,025.11

In accordance with the provisions of the Municipal Budget Law (R.S.A., Chapter 32), whenever occasion arises whereby it becomes necessary to exceed budget-

ary appropriations, application should be made to the State Board of Education by the School Board, with the approval of the Budget Committee, for a certificate of emergency authorizing such expenditures to be made in excess of appropriations.

**Conclusion:**

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Bow School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
